

Get in touch with Chemistry and Biology actors!

PLENARY SESSIONS

Materials chemistry for biology and medicine
 Inspired by Nature
 Chemogenomics

ROUND TABLES

From the molecule in the lab to the marketed drug
 Patenting or keeping the secret?
 Interactions avec les institutionnels français
 Interactions with international institutional partners
 Open Innovation: impact on R&D funding and employment

PRESTIGE CONFERENCE

Catherine Picart
 Grenoble Institute of Technology / Institut Polytechnique de Grenoble
 Biomaterials and Health

Registration deadline 20th May 2018

2nd edition
